

**MIDWEST FENCE
& GATE COMPANY**

MIDWEST FENCE & GATE COMPANY

Midwest Fence & Gate Co. launched their business in 1993 with just two employees. Rapidly earning a reputation for quality Telco fencing and gate systems solutions, the business grew to service a multitude of industries and homeowners in Iowa, Minnesota, Wisconsin, South Dakota, North Dakota and Missouri. Now with 25-35 full time employees, many of whom have been with the company for more than a decade, Midwest Fence & Gate Co. continues to build on their reputation as the Midwest's premier provider of fences, access controls, gate automation, gate operators, and residential fencing systems.

FEATURES

Lifetime Limited Warranty

Midwest Fence & Gate is proud to offer one of the strongest warranties in the industry. Midwest Fence is covered by our Aluminum Lifetime Limited Warranty. Our Warranty demonstrates our faith in our product and our commitment to you.

Committed to the Environment and our Community

We're proud to be an environmentally aware company that continues to update practices to reduce our carbon foot-print. We consistently recycles cardboard, wood, steel banding, zinc die cast, and heat shrink scrap. We also utilizes both aluminum and vinyl extrusions that contain recycled content. We is pleased to support our community by outsourcing a portion of our packaging functions to a local company that provides meaningful employment to individuals with disabilities.

Pool Code Approved

Midwest Fence combines safety with style. Fencing models marked with this symbol comply with ASTM F2409 and 1908 pool codes for height and spacing. Always check with your local building code authority as local codes may differ.

Snap Buttons

Midwest Fence utilizes a Snap Button system to lock rails into place providing a sturdy and durable rail for your fence.

Low Maintenance

Midwest Fence offers a low maintenance solution to your outdoor living space. Both our vinyl and aluminum are easy to clean and maintain.

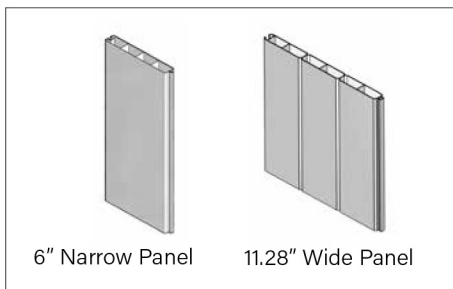

Lasting Strength and Durability

The combination of aluminum rails and posts ensures Midwest Fence not only withstands the test of time but also becomes a focal point.

POWDER COATING PROCESS

Exclusive DSI Powder Coating Process

We're an industry leader in Powder Coated Aluminum Products. State-of-the-art technology is used to provide a high-quality and durable finish that is more resistant to the effects of impacts, chemicals, ultra-violet light, moisture, and extreme weather conditions.

The process begins with a system certified by the Powder Coating Institute (PCI) and continues with the American Architectural Manufacturers Association (AAMA) / Fenestration and Glazing Industry Alliance (FGIA) verifying our Powder Coating. These stringent processes provide homeowners with peace of mind in their investment.

Our Aluminum Lifetime Limited Warranty includes a Fade Warranty as well as a Salt and Abrasive Environments Warranty providing one of the best warranties in the industry.

1
The raw premium-grade aluminum is inspected to be free of blemishes and is not exposed to the outdoor elements.

2
The product enters a heated cleaning stage to remove extrusion debris and fabrication oils.

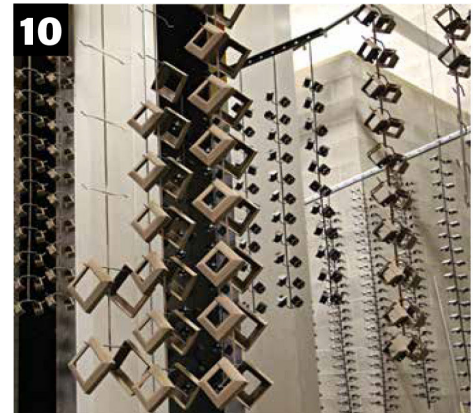

3-6
Clean: City water rinse
Cleaner: Recycling reverse osmosis water rinse
Cleanest: Pure reverse osmosis water rinse
Sealer: Dried-in-place aluminum sealer

7-8
A 200 MPH air blast removes water drops from the pre-treated aluminum.
A convection oven completes the dry-off process.

9
Powder is applied with 18 automated and 2 manual spray guns. Compressed process air is dried to -35°F Dew Point for superior adhesion.

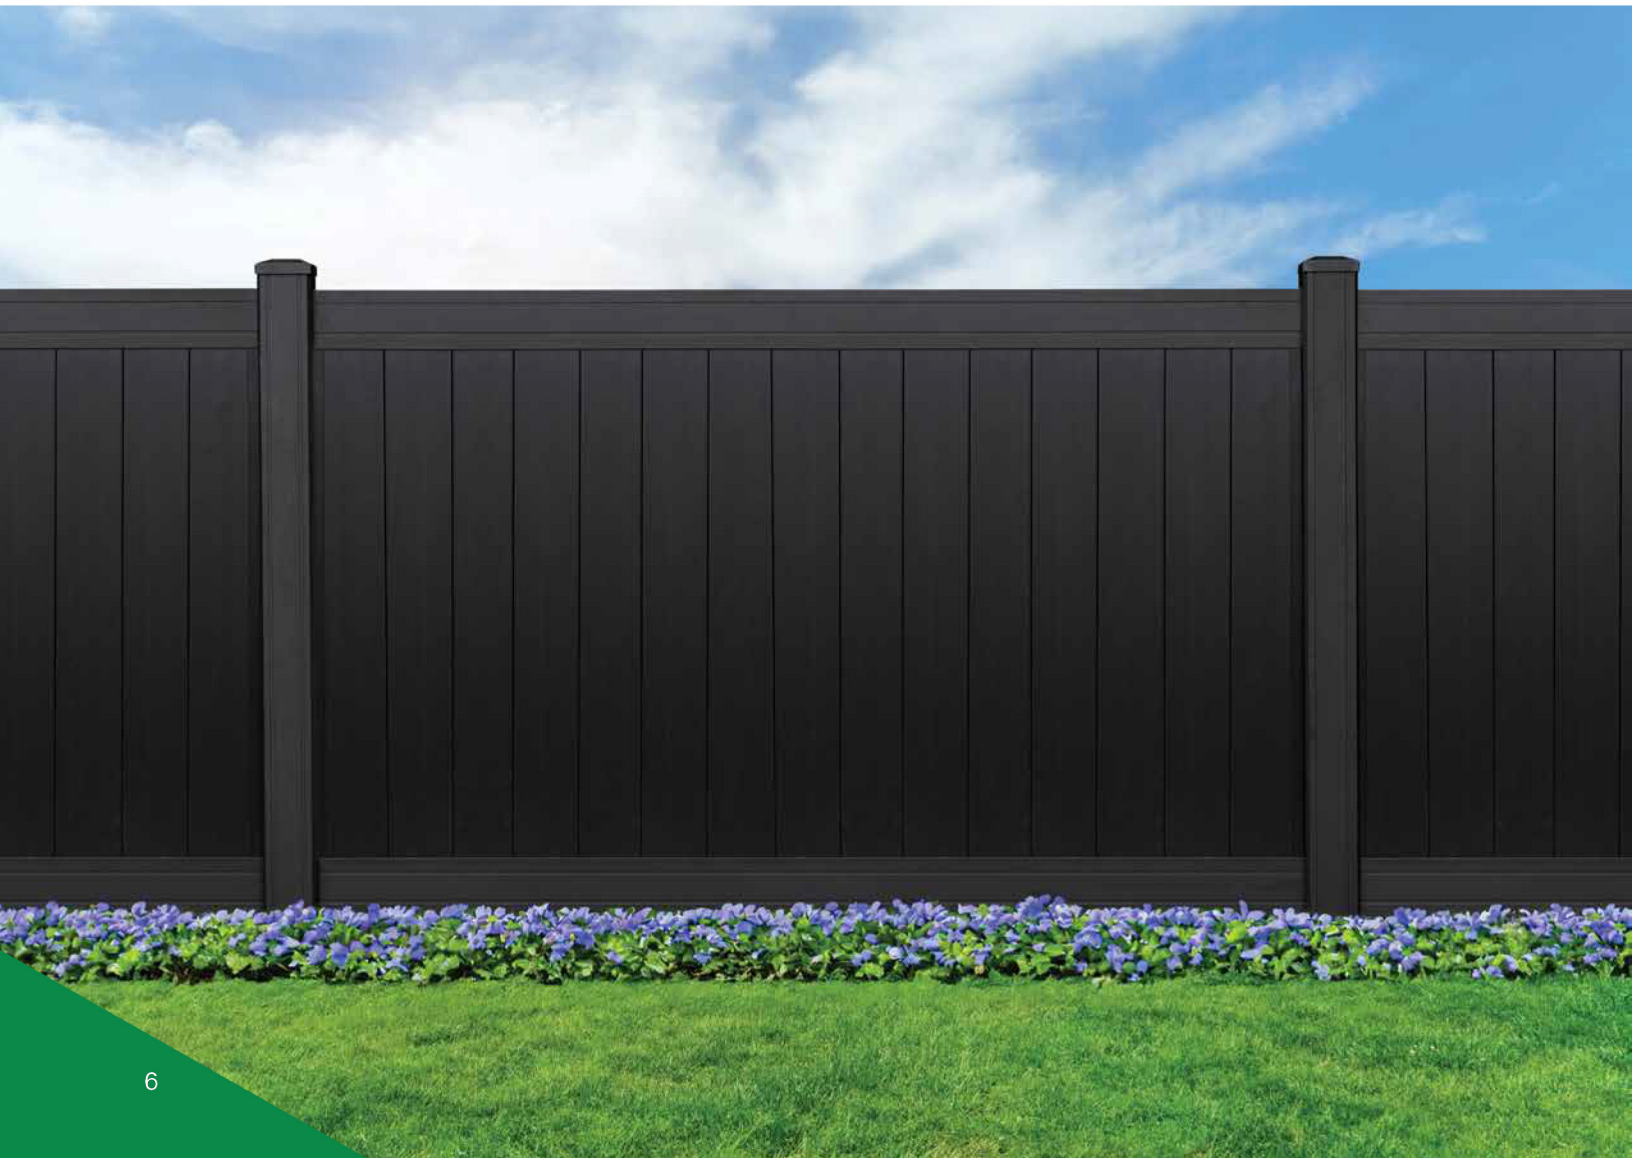

10
The powder coating is then bonded and adhered to the aluminum substrate in a 400 degree cure stage.

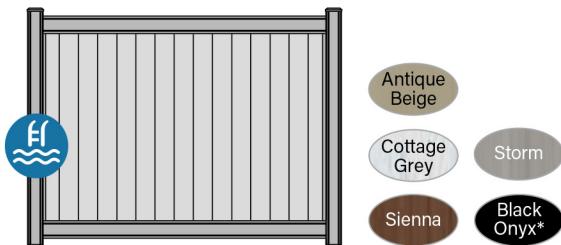

DESIGNER

FENCING MODELS

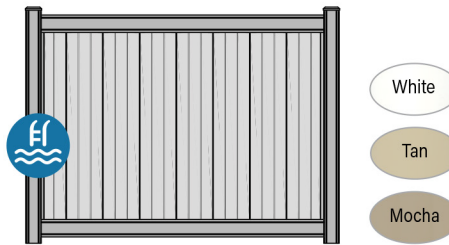

Discover the versatility of Midwest Fence & Gate, offering both convenience and customization options to suit your unique needs. Combining the privacy of vinyl infill with the durability and aesthetic appeal of a powder-coated aluminum frame, Midwest Fence ensures both security and style for your outdoor space. The Frame Only option allows contractors and homeowners the freedom to personalize their fencing by adding their choice of infill material. Whether securing your pool, hot tub, patio, or yard, Midwest Fence offers the perfect solution for your fencing needs.
